

## PERSONAL INFORMATION

**Pasquale Marchione**

## WORK EXPERIENCE

July 2014–Present

**Pharmacovigilance Assessor**

Italian Medicine Agency (AIFA - Agenzia Italiana del Farmaco) (Italy)

Signal Management

Monitoring National Adverse Drug Reactions (ADRs) and literature

Monitoring EVDAS;

Risk-benefit evaluation;

Assessment Report of Regulatory Documents;

RMP Assessment;

Renewal Assessment;

PSUR Assessment;

Writing/Editing/Translation of Safety Communication Documents.

July 2010–June 2014

**Consultant Neurologist**

NCL - Institute of Neurosciences (Italy)

Clinical and research activities in Neurology and Neurosurgery;

Clinical pharmacology;

Clinical and quality management.

December 2007–June 2014

**Teaching fellow**

I School of Medicine, Sapienza - University of Rome (Italy)

Teaching and tutorials

2006–2010

**Post-Doctoral Fellowship in Clinical Neurology**

III School of Medicine, Sapienza - University of Rome (Italy)

Clinical and research activities

## EDUCATION AND TRAINING

2003–2006

**PhD in Experimental and Clinical Neurosciences**

I School of Medicine, Sapienza - University of Rome (Italy)

1998–2003

**Post-Graduation in Neurology**

I School of Medicine, Sapienza - University of Rome (Italy)

1991–1997

**Medical Degree**

I School of Medicine, Sapienza - University of Rome (Italy)

## ADDITIONAL INFORMATION

Expertise

Clinical Neurology

Neuropharmacology

Pharmacovigilance

Public Health  
Epidemiology  
Computer system management  
Health Communication
